Whatever your faith St Michael's needs your help

The Friends of St. Michael's Church is a non-religious organization which was formed in 2005 to raise funds and to provide skills, expertise and 'people power' to maintain the fabric of the Church and its grounds.

The building and grounds are of significant historical interest and value, and their presence adds much to the character of our beautiful village.

The Church has been on the site in Woodham Walter since 1563 and it needs constant care and attention to ensure that it remains in a sound condition so that it can be enjoyed by future generations.

Members of the Friends come from diverse religious persuasions (including practising Atheists) but are united by the desire to ensure that this historical treasure survives for at least the next 460 years!
